

Gem County Rod & Gun Club Meeting Minutes

July 8th, 2019

Directors Present: Dean Wells, Larry Robertson, Caleb Hoobery, David Larson

Officers Present: President Russell Trebby, Secretary Jim Bunting, Treasurer Shannon Wells, VP Greg Kershul

Meeting was called to order by President Trebby at 7:07 pm.

VP Fuller is resigning his position for personal reasons. Greg Kershul is then nominated for the position. President Trebby makes a motion to nominate Greg Kershul for the clubs new VP. Motion is seconded by Officer Shannon Wells and carries.

Motion was made by Officer Shannon Wells to approve the June 2019 Board of Directors/Officers minutes. Minutes seconded by Director Caleb Hoobery and carries.

Treasurers Report: The June report is Checking \$12,204.77, (Property) \$82,241.41, (Bridge) Savings \$63,299.67. No July report available due to being locked out of the meeting hall and having the meeting on the outside porch.

1106 Members

Member Concerns/Comments: GCRGC Member Joshua Saathoff asks the board if they would consider opening up a rim fire only range so children and families don't have to shoot with high powered rifles going off next to them. President Trebby, Director Dean Wells and Officer Shannon Wells explain to Joshua that being a small range with a good sized membership it makes it impossible to dedicate an entire range to one kind of rifle/pistol. It was also explained that because of the upcoming hunting seasons that every range will be needed to provide adequate service to the membership. Joshua also expresses concern over lack of communication to the membership. President Trebby states that the new website will substantially improve communication on any range/club business. Joshua also asks about members policing other members on the range and if that was allowed. President

Trebbly states that if any member sees an illegal activity that the Sheriff should be called. For things against club rules a license plate being taken down and reported to the board would be in order. Officer Shannon Wells explains that all this is explained on the membership application that each member must read and sign.

Range Status: Secretary Jim Bunting has been doing minor repairs to running boards on the gun range road bridge. It is mostly boards being pulled up by equipment other than normal vehicles. Director Wells states that one of the target boards on the rifle range has its pole shot off because someone pinned a target on it instead of the boards provided. It will have to be drilled out to replace it. Most all other boards have been recently replaced. Director Wells also states there is some steel on the pistol range that needs to be replaced.

Motion: Officer Shannon Wells makes a motion to purchase an eight by twenty foot connex for the gun range to include the \$155 delivery charge. Motion is seconded by Director Caleb Hoobery and carries. The brand new connex is to be delivered to the range in the next couple of days to give more room for storage.

President Trebbly reports that Mr. Shippy charged just \$1300 for work on the road inside the range gate and on the firebreak. One of the pistol burms was also extended out.

Director Larry Robertson reports his findings on the easement of the gun range road. Larry reports the road is granted a 32' easement and suggests that the GCRGC get a maintenance agreement with Idaho Power. Director Roberson says the bridge is the big problem. **Motion:** Director David Larson makes a motion to go back to Attorney Alex Kincaid and concentrate on the bridge. Motion seconded by Officer Shannon Wells and it carries. **Motion:** Officer Shannon Wells makes a motion to approve \$2500 for Attorney Alex Kincaid. Director Dean Wells seconds and the motion carries.

Edward Jones account: \$25,000 has been given to Edward Jones for the new investment account.

Website: President Trebbly asked which board/officer members have viewed the new website. Officer Shannon says it is a little rough around the edges but it works fine. Officer Wells says she did not see anything she disliked. The site will have a separate member page. President Trebbly said he is

having a meeting with the I. T. team Wednesday to get the GCRGC website launched.

Adjourn: Motion was made to adjourn at 8pm by Director Hoobery and seconded by Officer Wells. Motion to adjourn carries.
