

# **Gem County Rod & Gun Club Meeting Minutes**

**August 19th, 2019**

**Directors Present:** Dean Wells, Larry Robertson, Caleb Hoobery, David Larson

**Officers Present:** President Russell Trebby, Secretary Jim Bunting

Meeting was called to order by President Trebby at 7:00 pm.

Motion was made by Director Larry Robertson to approve the July 2019 Board of Directors/Officers minutes. Minutes seconded by Director Caleb Hoobery and carries.

President Trebby asks that future Board members be better screened for why they want to be on the Board. The reason being the club needs Board members to be more active in range activities and not just come to a meeting for one hour a month. Questions of why they want to be a member of the Board, what kind of time do they have other than one hour a month and what do they know about the club.

Travis Gibson asks for a lifetime membership to the GCRGC due to various services he had provided for various groups training at the range. President Trebby, Director Wells and Director Caleb Hoobery explain that the club does not give out lifetime memberships and he would have to buy the annual membership at the cost of \$50. Travis was very understanding of this but was given a membership for free for the rest of 2019 because his work was appreciated.

**Treasurers Report:** Officer Shannon Wells reports by text the Bridge fund at \$64707.59 and checking \$4415.83.

**Member Concerns/Comments:** GCRGC member asked about what the assets of the club are and are they available to members. President Trebby explains that question has never been asked before and the club does not have an inventory of everything in the connex's and inside the locked fence. Director Hoobery and Director Wells state that we should definitely do an inventory if not for insurance reasons but just for a reference of what the club has. Director Wells also explains that a lot of what's in the connex's are

specifically set aside for various shooting groups that use the range such as .22 matches and cowboy action for example. All Board members agree an inventory is in order.

**Range Status:** VP Kershul wants to form a range committee for the purpose that one person does not do all the work like backboards, tightening steel target and general maintenance.

Gun range bridge has an issue about track vehicles pulling up boards as they cross. Secretary Jim Bunting has been called on several occasions to repair the uplifted running boards.

**Guest waiver forms:** President Treby states that the waiver forms blend in the pull box and people think there is nothing in the box. Colored forms might be in order. Caleb makes a motion to print waivers in a bright color. The motion is seconded by David Larson and the motion carries. Secretary Jim Bunting will take care of that.

**Range official hats:** Director Chuck Cluff makes a motion to except the design of the range official hats. The motion is seconded by Director Hoobery and motion carries.

**Gun Range Bridge:**

Director Larry Robertson states that the gun range road bridge is personal property not real estate and will belong to whoever buys David Shaw's land. Director Robertson proposes coming up with some dollar amount to buy a share in the bridge along with some maintenance agreement. Director Well states building our own bridge could be an option. The bridge is not up to par for heavy equipment to build on the range side so it could be a hindrance to David Shaw selling the property. President Treby states he will arrange a meeting with David Shaw to discuss making an offer to be half owners of the bridge as well as a maintenance agreement to assure the range's future use of the bridge.

**Adjourn:** Motion was made to adjourn at 8pm by Director Robertson and seconded by Director Wells. Motion to adjourn carries.
